## **RESOLUTION**

### **RESTORATION AND REAUTHORIZATION OF THE US DOL NATIONAL FARMWORKER JOB TRAINING, MIGRANT YOUTH AND FARMWORKER HOUSING PROGRAM TO THE 2005-2006 BUDGET**

**WHEREAS**, farmworkers toil the fields to put food on our nation's tables, and

**WHEREAS**, these (adults and youth) farmworkers desperately need job training and affordable housing, and

**WHEREAS**, the President's budget eliminates the vital job training and housing program to the nation's 5.1 million primarily Latino farmworkers to their detriment, and

**WHEREAS**, by eliminating this program known as Workforce 167, the only job training program by the US DOL affecting primarily Hispanics, is wiped out, and

**WHEREAS**, 5.1 million primarily Latino farmworkers will be adversely affected, and

**THEREFORE**, we request that President Bush restore the National Farmworker Job Training and Housing program to \$166,000,000 for adults, \$20,000,000 for migrant youth and \$10,000,000 for farmworker technical assistance to the 2005-2006 budget.

**THEREFORE**, we request that this resolution be approved at the Arizona LULAC Convention and forwarded to the national LULAC convention to become a national legislative priority.
