

Puerto Rico #2

**PUERTO RICO CHAPTER
Resolution**

Title: Puerto Rico response to the National Security Plan

WHEREAS, We the Americans living in Puerto Rico support President George W. Bush and will always back our Nation, especially on issues of National defense; and

WHEREAS, The Puerto Rican members of LULAC, as American citizens are opposed to any form of terrorism on the mainland, and its territories to include Puerto Rico; and

WHEREAS, The LULAC members of Puerto Rico, do not want to lose the shared values, diversity and patriotism; as these are very important in maintaining a solid foundation and relationship with the United States; and

WHEREAS, The isolated event in Vieques last May was an act geared at recognizing certain rights of the people of Vieques.

THEREFORE BE IT RESOLVED, That Puerto Ricans accept the shared responsibility and value the benefit of being part of the National Security Plan which guarantees liberty and justice for all. God Bless America.
