RESOLUTION

IN SUPPORT OF THE BRINGING NEW AND/OR EXPANDED AIR SERVICE TO DALLAS/FORT WORTH INTERNATIONAL AIRPORT

WHEREAS, the Cities of Dallas and Fort Worth and their citizens joined to design, finance, construct, build and support Dallas /Fort Worth International Airport (DFW Airport);

WHEREAS, these Owner Cities adopted Joint Bond Ordinances agreeing to "take such steps; may be necessary, appropriate, and legally permissible... to provide for orderly, efficient and effective phase out at Love Field, Red Bird, GSIA, and Meachum Field of any and all Certified Air Carrier Services, and to transfer such activity to the Regional Airport," which was later to be named DFW Airport;

WHEREAS, Delta Air Lines announced in September 2004 that it will eliminate its hub at DFW Airport, reducing its daily operations from 254 to 21, resulting in 7,000 jobs being lost and over \$782 million in total loss to the entire North Texas Economy;

WHEREAS, this attempt to repeal The Wright Amendment, which could siphon traffic from DFW Airport to Love Field, could have a detrimental effect upon DFW at a critical time when aviation industry remains in economic uncertainty;

WHEREAS, Southwest Airlines could choose to take advantage of the vacated Delta Air Line gates at DFW Airport and immediately provide new low-cost options to North Texas travelers, thereby avoiding a potentially divisive and costly regional conflict;

NOW, THEREFORE BE IT RESOLVED BY THE LEAGUE OF UNITED LATIN AMERICAN CITIZENS BOARD OF DIRECTORS:

SECTION 1. That in lieu of seeking a divisive approach to amend or repeal the Wright Amendment, all efforts in the region should focus upon uniting area communities and regional leadership to seek to bring new and expanded air service to Dallas/Fort Worth Airport.

SECTION 2. That this resolution shall take effect immediately upon its passage.
